The undersigned are herein referred to as "Interest Owners" and the Operator, Strata Production Company, is herein referred to as "SPC". The Interest Owners and each of them certify that they are the legal owners of the respective interest(s) set out below (Division of Interest), in the petroleum crude oil, condensate, distillate and other liquid hydrocarbons (herein referred to as "oil"), and the natural gas, casinghead gas and other gaseous hydrocarbons (herein referred to as "gas") that may be produced from wells now or hereafter completed on the following described lands:

TOWNSHIP 23 SOUTH, RANGE 30 EAST, NMPM
SECTION 22: NE/4 SE/4
EDDY COUNTY, NEW MEXICO

The following covenants shall be binding upon each of the Interest Owners, their heirs, personal representatives, successors, and assigns:

D1. Commencing on the Effective Date, as specified in the caption hereof, and until further written notice as described herein, SPC is hereby authorized to receive such oil and/or gas into SPC's possession or any person or company designated by SPC, and to account for the proceeds received by SPC according to the following division of interest:

DIVISION OF INTEREST 0.001645% RI

D2. Settlement shall be made to the Interest Owners by check mailed to the Interest Owner within 45 days after the end of the calendar month in which payment is received by SPC from the purchaser of production. SPC is authorized to withhold payment due any individual Interest Owner until at least \$100 has been accumulated to the credit of said Interest Owner. Payment shall be made at least annually. The undersigned authorizes SPC to withhold from their share of the production described above any and all sums owing by them over 30 days from the date of invoice from SPC, for their proportionate share of costs incurred by SPC as Operator of the well(s) situated on the above-described lands.

D3. SPC is authorized to remit pursuant to the division of interest as described above until written notice to the contrary is received by SPC. Each of the Interest Owners agrees to notify SPC in writing of any change in their interest, and no transfer of interest shall be binding on SPC until SPC is furnished the original recorded instrument (or a copy thereof) or a transcript of proceedings which satisfactorily evidences such transfer, and SPC's regular form of Division Order is fully executed and returned to SPC. SPC shall be held harmless against loss or liability due to failure to receive such notice. D4. If any claim is made which adversely affects title to any interest credited hereunder, or such title is unmarketable in the opinion of a licensed New Mexico attorney, the parties credited with such interest severally agree to furnish abstracts or other evidence of title acceptable to SPC, and to cure any defects which render the title of the Interest Owners unmarketable, without expense to SPC. In the event of failure to furnish such evidence of marketable title, SPC is authorized to withhold payments without payment of interest until the claim is settled. In the event any action or suit is filed in any court affecting title to the oil and/or gas or proceeds thereof in which any of the Interest Owners are parties, written notice of the filing of such action shall immediately be furnished to SPC stating the court in which the same is filed and the title of such action, and SPC shall be held harmless from any judgment rendered in such suit, and all reasonable costs and expenses incurred in defending the claim shall be paid by the Interest Owner who is a party to the suit.

D5. If through error, inadvertence, erroneous title information or otherwise, SPC shall pay to the Interest Owners any sums to which the Interest Owners are not lawfully entitled, SPC shall have the right to recover the total amount of all such payments, by withholding the same from future money in SPC's possession to which the Interest Owners are otherwise entitled to be paid, whether such withheld funds accrue from the land described herein or from other land in which the Interest Owners have an interest.

D6. All the provisions herein contained shall apply to each of the Interest Owners severally and not jointly. This division order shall become valid and binding on each of the Interest Owners as soon as signed by such party regardless of whether or not all of the Interest Owners have so signed.
