The undersigned certifies that it is the legal owner of the interest set out in the attached Exhibit of all the gas, oil and/or related liquid hydrocarbons produced from the property described herein payable by Marathon Oil Company (Payor).

Payor is authorized to withhold payment pending resolution of a title dispute or adverse claim asserted regarding the interest in production claimed by undersigned. The undersigned agrees to indemnify and reimburse Payor any amount attributable to an interest to which the undersigned is not entitled. Unless otherwise required by law, Payor shall not be required to pay interest withheld due to a title dispute or adverse claim.

Payor shall be notified, in writing, of any change in ownership, decimal interest, or payment address. No change of interest is binding on Payor until the recorded copy of the instrument of change or documents satisfactorily evidencing such change are furnished to Payor at the time the change occurs.

Payor may accrue proceeds until the total amount equals \$50.00, or pay semi-annually, whichever occurs first, or as required by applicable state statute.

This Division Order does not amend any lease or operating agreement between the interest owners and the lessee or operator or any other contracts for the purchase of oil and gas.

In addition to the terms and conditions of this Division Order, the undersigned and Payor may have certain statutory rights under the laws of the state in which the property is located.

If a W-9 form is enclosed, please complete and return with the Division Order. Failure to furnish your Social Security/Tax I.D. number will result in withholding tax in accordance with Federal law, and any tax withheld will not be refundable by Payor.
