The following provisions apply to each interest Owner ("Owner") who executes this Agreement:

TERMS OF SALE: The undersigned will be paid in accordance with the division of interest set out below. The Payor shall pay all parties at the price agreed to by the operator for oil, gas and related liquid hydrocarbons to be sold pursuant to this division order. In the event of a claim or dispute that affects title to the division of interest credited herein, Payor is authorized to withhold payments accruing to such interest, without interest unless otherwise required by applicable statute, until the claim or dispute is settled.

TERMINATION: Termination of this agreement is effective on the first day of the month that begins after the 30th day after the date written notice of termination is received by either party.

Any change of interest shall be made on the first day of the month following receipt of such notice to Payor. Any correspondence regarding this agreement shall be furnished to the addresses as provided herein unless otherwise advised by either party.
