RE: Maverick 1707 1LOHX-23-14 Allocation Change
Ownership Interest Calculation Change
Sections 14 & 23-17N-7W, Kingfisher County, Oklahoma

Dear Interest Owner,

The production allocation for the Maverick 1707 1LOHX-23-14 well was originally based on the Interim Order of the Oklahoma Corporation Commission, Interim Order No. 739619, which allocated production from the well to be 50% from Section 14 and 50% from Section 23. The interest you have been paid, and that was listed on the original division order sent for the Maverick 1707 1LOHX-23-14 well, was calculated from the Interim Order of the Oklahoma Corporation Commission.

The Final Order of the Oklahoma Corporation Commission, Order No. 745603 (attached), changed the production allocation percentages to 55% from Section 14 and 45% from Section 23. This changes your interest in the well to the new decimal reflected in the enclosed Revised Division Order.

No action is needed from you due to this change. Your interest will be adjusted back to first sales of the well. The Revised Division Order is enclosed for your records and only needs to be returned if you have not received payments or your account information needs to be updated.

If you are not already enrolled in direct deposit, the enrollment form is attached. If you choose to enroll in direct deposit, the form must be returned by regular mail. Emailed forms are not accepted. Please be sure to include a voided check or letter signed by a bank employee if you choose this option.

If you have any questions, please let me know. My direct phone number is (405) 561-1341.

Sincerely,

A handwritten signature in cursive script, appearing to read "Cheryl Bigbee".
