Dear Interest Owner:

Continental Resources, Inc. is the operator of an oil or gas well in which records indicate the owner named on the enclosed form has an interest.

We are attaching two (2) copies of your Division Order. The Division Order includes the property description, your name, address, interest type and the decimal interest in which revenue will be disbursed. We intend to pay proceeds according to the information listed on this Division Order.

Please take the following steps to help ensure you receive correct proceeds based on your interest:

- **Verify your name and that you are still the correct owner to whom payment should be made.** (Continental Resources cannot be bound by ownership changes until it has received written notice with copies of all recorded instruments or documents and other information necessary to establish a complete chain of record title.)
- **Verify your address is still the correct address where payment should be sent.** (Please notify Continental Resources Division Order department in writing as soon as possible if your mailing address changes.)
- **Verify your decimal ownership interest is correct.** (The royalty interest decimal can be calculated by taking the owner's net mineral acres divided by the unit acres listed on the Division Order multiplied by the owner's royalty rate found on the owner's lease. If the well is a multi-unit well in Oklahoma consisting of two or more sections, the royalty interest decimal is calculated per section by taking the owner's net mineral acres divided by the total number of acres in the section multiplied by the lease rate as mentioned above then multiplied by the allocation factor percentage associated with the same section. If the ownership is held in more than one section, complete the above calculations separately for each section then combine the decimals to arrive at the royalty interest. The allocation factor will be listed following the property description on the Division Order.)
- **Sign the Division Order, make any corrections necessary, and return all documents in the enclosed self-addressed envelope.**

If your interest is subject to a title requirement, a copy of the requirement is enclosed herein. Please note your account will remain in suspense and revenue will not be disbursed until all title requirements have been satisfied.
